The difference between the colored and white newspapers is this: The colored people must have the white paper delivered to their door, and if there are three families in one house, each family will subscribe for each paper, to be independent. The colored paper, at the same home of three families: One paper will do for all in the house.

And then we wonder why we can't have a stronger paper and reporters to go to our social functions and write up the news and make a great showing for us.—Exchange.

During the convention of the National Council of Women at the Statler Hotel in St. Louis, the colored delegates, Mrs. C. R. McDowell of Chicago, Mrs. C. R. McDowell of Hannibal, Miss Arsenia M. Williams of St. Louis, Mrs. A. F. Miller of Cairo, Mrs. Effie B. Chinn, Mrs. Nevada H. Kenner and Mrs. C. K. Robinson of Missouri were accorded every courtesy.

The Globe Democrat of Friday Nov. 14th, gave a report of a speech made by Dr. Waring, representing the National Association of Colored Women's Clubs, together with those of such organizations as National Council of Jewish Women, National Federation of College Clubs, National Congress of Mothers, etc.

Resolution read before the National Council of Women of the United States of America at St. Louis, Mo., Nov. 14th, 1919, by Dr. Waring, representing the National Association of Colored Women's Clubs.

Whereas: In all the wars of America the Negro has taken his part and displayed courage, patriotism and valor; from the time that Crispus Attucks fell as the first Revolutionary hero on the Boston Commons, until the 11th day of November 1918, when the "Black Devils" as they were termed of the 369th, were the last to fight at the signing of the Armistice; and

Whereas: American women willingly gave their sons, husbands and sweethearts, gladly contributed to all war funds and cheerfully served in all war agencies and organizations; Therefore: Be it resolved that these people be accorded the rights of American citizens and the privileges accorded to members of other races dwelling in America be given to them in all parts of the United States.

Mrs. C. R. McDowell, Treasurer, National Association of Colored Women of Hannibal, Mrs. Effie Chinn and Mrs. Kenner of Marshall, Mo., were the house guests of Mrs. Lella Alston while in St. Louis, Mo.

Dr. Mary P. Waring who was sent to St. Louis to do community work has done good in so many lines of recreation and education that her leaving is lamented by the people of the community.

Dr. Waring was assigned to Community work in Trenton, N. J., to date from November 15th, but felt that she could do more effective work by remaining in this section therefore she returned to Chicago.

## NEGROES TO AID IN CENSUS.

A Correct Count for First Time Desired by Supervisor.

New York, Nov. 17.—Negroes will be engaged as federal census takers in sections where they form the largest element of the population for the first time in history, Arthur G. Dore, United States supervisor of census, announced today. Preference will be given to Negroes who were in the military service.

Mr. Dore said that representative Negroes had informed him there had never been an accurate counting of the Negroes of this country. This is due, they complained, to the fact that white enumerators classified as white those Negro men and women of light color.

## THE OUTRAGE AT MOBERLY.

The lynching of a Negro at Moberly yesterday was a disgrace to the community and the state. A farmer had been set upon and robbed by four Negroes. Four men "answering the description" were arrested. The mob intended to kill all four, but three escaped.

There is no reason to believe that the courts would have dealt justly with the men accused of the assault. The lynching was a blow to the orderly administration of justice on which civilized society is based. It was brutalizing and demoralizing to the men who took part in it and to the whole community. What sort of a lesson in citizenship was it to the young men of Moberly? And it must tend to aggravate the race problem in the worst possible way by helping create the feeling among Negroes that they cannot expect fair treatment from their white neighbors.

The Negroes seized by the Moberly mob had not been tried. They had no chance to show their innocence. Had they been shown to mob violence. At a time when race feeling is running high it is imperative that self control be exercised and that conditions be not made worse by giving occasion for the feeling that there is no square deal for the Negro.

The great majority of citizens undoubtedly recognize the value of the honest and industrious Negro. They know he is indispensable in industry, they respect him and intend that he shall be treated justly. It is up to

them to see that groups of hoodlums do not resort to lawlessness by which innocent Negroes may suffer and which will increase the friction between the races.—Monday Star.

Ex-Congressman Geo. W. Murray is in the city for a series of lectures and will be heard at a number of the churches in the near future.

## THEY SAY

—That the mills of the God's grind slow—but they are grinding.  
—That those who advertise get the business. They do that.

—That Presiding Elder Prince of the A. M. E. church sure "knows his stuff." He sho' do honey.

—That it pays to think three or four times before you speak one time those perilous times.

—That if you want Negro newspapers to fight your battles, you must support them.

—That a certain brother who advertised for a wife the other day got 15 replies the next day.

—That both the Democrats and Republicans should nominate a Negro for Alderman in the 8th ward. Will they do it?

—That half the people are trying to get their names in the newspaper while the other half are trying like him—to keep theirs out.

—That the blatant loud-mouthed irresponsible agitator can do the race incalculable harm these days. Keep your mouth shut.

—That if a Negro has a hundred dollars and decides to go "in business" he opens either a barber shop or a restaurant. Try something else brother. Those lines are crowded.

—That a certain cullid parson lost his pulpit and called on the deacons for an explanation. Recently, "Don't I argue?" he asked. "Yes," admitted the deacons, "you argue, you certainly do argue." "Well, den don't I finally dose?" "Yes," they acknowledged, "you spout, you certainly dose spout." "Den what's de trouble brodder?" "Well," stated the deacons' spokesman, "you argue and you 'spout,' but you don't show whaddin, see-whaddin?"

## FORTUNE J. WEAVER

KANSAS CITY'S PIONEER REAL ESTATE DEALER IS BACK ON THE JOB.

This is to inform you that I am back on the job in my new location, 1626 East 18th Street, just across the street from the Gem Theatre, where I will be glad to have my old clients, as well as new ones, to call and see me, especially if they are in trouble. It has been my rule for the past 17 years in the real estate business in Kansas City to give full protection to my customers. I am glad to say that out of the hundreds of homes sold by me or the Afro-American Investment Company, of which I was President and Manager, not a single one of them have been allowed to lose their homes when they came to me with their troubles. I am now in a position to not only help my old customers, but any industrious Negro man or woman who is trying to pay for a home or who wants to buy one.

If you are having trouble such as wanting your mortgage renewed, want a new loan, or if you are back on payments and taxes, if you want to remodel, if you want to exchange your old home for a new one, if you want to sell your equity, if you want to buy and have not enough money to make your first payment, if you are having trouble with your title, or anything else regarding Real Estate Deals, see me. My long experience in handling Real Estate deals gives me a thorough knowledge along these lines and my advice to you is free for the asking.
